

## COVID -19 – Information

In addition to our usual high standard of cleaning we will be implementing the following changes to ensure all guests a safe stay:

- Running at a reduced capacity to limit numbers of guests on site
- Deep cleaning cottages including disinfecting high touch areas such as light switches and TV remote controls and cottage keys
- Social distancing – we will be asking all guests to respect the social distancing guidelines whilst on holiday and keep to your own household
- Removing the toys and games from the Laundry Room
- Asking for guests to not use the Laundry room unless it is essential. Usage will be limited to 1 person at a time. Hand sanitiser will be available
  - Antibacterial soap provided in all cottages
  - Socially distanced check in and check out
- Guests who are not feeling well are asked not to travel and to contact us regarding their booking
- Please ensure you vacate the cottage by 10.30am leaving your key in the cottage to allow us as much time as possible for the property to air
